

## Welcome back to Cherbourg !

Despite Brexit, it is still very simple to sail across to Port Chantereyne. Here is what you need to do :

- Before your arrival:

Complete the PAF form following this link : <https://www.digimap.gg/marine/marinas/cherbourg/> or scan here :

- On arrival:

Call the Border Police on + 33 (0)2 33 88 72 20 to arrange to get your passport stamped either in the marina or in their office located 27, rue Dom Pedro, which is a 20 mn walk from the marina. The marina reception staff can help with contacting the Border Police if needed. You only need to stamp in and out of France in your first and last port of call.

- On departure (if Cherbourg is your last port of call in France):

Complete the harbour PAF form and get your passport stamped out.
